Group 18 Primary School’s Challenge
Congratulation to both the under 10’s and opens boys rugby league teams who participated in the Group 18 Primary Schools Challenge. I was proud of the way the boys conducted themselves both on and off the field. Both teams proved to be quite competitive on the day considering we were a little short on numbers. Congratulations to Jeremy R and Callum P who were named Player of the Day for their respective teams. Thanks to Mark Lever and Sam Prichard who assisted with the teams on the day.

Parent/Teacher Interviews
Many parents have taken the opportunity to meet with their child’s teacher over the past week as part of the parent/teacher interview process. The interviews provide a further insight into the education of your child and assist in building a stronger relationship between parents and the school. If you have missed this opportunity but would still like an interview with your child’s teacher, please contact the school to arrange a suitable time.

Far North Coast Winter Trials
Students in year’s 3-6 who were successful in making the Tweed District Winter Trials Teams last week will participate in the Far North Coast Trials tomorrow. These students will represent the school in the sports of rugby league, hockey, soccer and netball. We wish these students the best of luck at the trials and look forward to hearing news of their performances.

Hall of Frames
This Thursday will be our second Hall of Frames for the year. The assembly will be held in the school hall at 11.15am. Parents of students receiving an award should have received a note this week.

World of Maths
Our first visiting performance/activity will be on Friday this week.

World of Maths will set up a range of hands-on activities for the students to investigate. All students across the school will participate at various times throughout the day. Permission notes should be returned to school along with $6 by Thursday.

K-2 Concert
This term’s K-2 concert will be held on Tuesday of next week. The event will be held in the school hall at 2pm. We hope to see as many parents as possible come along and support your children.

Easter Hat Parade
This year’s Easter Hat Parade will be held on 9th April at 9.15am. The parade will be held in the school hall. Hopefully the children will get busy, if not already, in preparing their hat for the parade. Each child who participates in the parade will receive a small gift.

Griffith University Visit
On Thursday 10th April four of our senior students will attend Griffith University as part of the ‘Launch Into Life Careers Event’. The event aims to inform children, through a range of exciting hands-on activities, about study and career options for their future. Mrs McEwan will accompany the group.

Anzac Service
The school will hold an Anzac Service on Friday 11th April at 9am. Children from all classes will participate. Parents are welcome and encouraged to attend. Any students who wish to lay flowers at the base of the memorial will need to bring them on the day. Our school captains will coordinate the service. Mr Hugh Aitken, a retired naval officer, will attend the ceremony as a special guest speaker. Mr Aitken will hold discussion with the senior students following the service.

Anzac Dawn Service / March
Our school will again participate in the local Anzac Dawn Service and March. The Dawn Service will be held on April 25th with the march starting at 4.15am followed by the service at 4.30am. Our school leaders will participate in the service through readings. Later in the morning our school will participate in the march at Kingscliff. Any students who are able to attend will meet with Ms McEwan at 9.45am on the corner of Turnock St and Marine Pde. Students attending these services should be in full school uniform.

Treat Day
This term’s Treat Day will be held on Friday 11th April following recess. The activity for this term will be a tabloid sports afternoon. As there is an Anzac Service in the morning, students are expected to be in full school uniform.

Term 2 Dates
School will resume for students on Tuesday 29th April. Teachers will resume on the Monday and participate in professional learning hence this is a pupil free day.

Extra Help During The Holidays
I’m sure every parent would like extra help at home especially as the school holidays approach. I have included a good article for parent reading this week, which reflects on having your children support you around the home. Please take the time to read the article, you may find it a benefit in more ways than one.

Thank you to Melissa Toms who is the outgoing President for all her hard work in this role! Also we are very grateful to the new members who have graciously taken on roles. Thank you!

EASTER RAFFLE
Easter Raffle tickets have been sent home. It would be great if each family could sell one book, however more books are available from the office. We still desperately need donations for our hampers, please send them in ASAP to the office. Easter eggs, Easter toys and craft items would be very welcome. Also if any one has any unwanted baskets to put hampers in, they would also be appreciated! Hampers will be made up on, Tuesday 8th April, if you can help with hamper preparation please join us in the staff room after school.

Also a huge thank you to Enigma Photography – Tristam & Selena Evison for their very generous donation of our Raffle’s first prize, a Family Portrait Package, 1 hour session that includes 20 prints and an image on canvas. We all want to win it!!!

FETE
We will soon be deciding on a fete date. Notes will be sent out soon to see what stalls people will be interested in doing and if anyone has any great ideas for new things to do. Most importantly we will be forming a Fete Committee and will need members and a convenor to keep it all organised. Remember how much fun the fete is, so this is your chance to be involved! More information soon.

MOTHER’S DAY STALL
As the holidays are fast approaching, we thought we should also mention the P&C will be holding the Mother’s Day Stall on Friday May 9th, after morning drop off. Helpers to sell and wrap would be appreciated.

Thanks for your support
